## **System Requirements:**

1. Web User must have 32-bit Java installed. This can be obtained directly from Oracle by using the following URL:

https://www.java.com/en/download/

This will take the user directly to Oracle's Java download page.

- 2. The AllPayor Web Quote will only run on computers that <u>support Java</u>. Supported browsers are:
  - IE 11
  - Google Chrome Must have IE TAB extension installed and run the Web Quote in the IE TAB URL line.
  - New Microsoft Edge Must have IE TAB extension installed and run the Web Quote in the IE TAB URL line.

## How to install IE TAB – Google Chrome

If using Google Chrome, please follow these instructions to install the IE TAB.

1. In Google Chrome, click the three dots in the upper right corner:

2. The following window will open, click the Settings option:

		—	٥	×		
	\$	2 1	•			
New tab			С	trl+T		
New window			C	trl+N		
New incognito v	vindow	C	trl+Sh	ift+N

Help				►		
Exit						
Managed by you	ur organiza	tion				

3. The following window will open, click the **Extensions** option:

4. The following window will open, click the three lines in the left hand corner of the window:

5. The following window will open, click the **Open Chrome Web Store** in the bottom left hand corner of the window:

Exten	sions	
Extensi	ions	
Keyboa	ard shortcuts	
Open C	hrome Web Store	

6. A search bar will be on the next window on the left hand side of the screen. Enter **IE TAB** in the search and press ENTER. The results will be shown and you can select **IE TAB** to be installed.

7. Once installed, please configure **IE TAB** to properly print (see below for instructions).

## How to install IE TAB – Microsoft Edge

If using Microsoft Edge, please follow these instructions to install the IE TAB.

1. In Microsoft Edge, click the three dots in the upper right corner:

 $\leftarrow$   $\rightarrow$  O A https://microsoftedgewelcome.microsoft.com/en-us/  $\Rightarrow$  O  $\models$  e e e e

2. The following window will open, click the Extensions option:

3. The following window will open on the left side of the screen, click the **Get extensions for Microsoft Edge:** 

4. A search bar will be on the next window on the left hand side of the screen. Enter **IE TAB** in the search and press ENTER. The results will be shown and you can select **IE TAB** to be installed.

Q ie tab  ×  Search results for "ie tab" 9 extensions    ← Home	
Filter by category  IE Tab    Developer tools  IE Tab    Display web pages using IE within Edge. Use Java, Silverlight, ActiveX, Sharepoint, and more.	Remove

5. Once installed, please configure **IE TAB** to properly print (see below for instructions).

## How to configure IE TAB

If you want to use the **New Microsoft Edge** browser or **Google Chrome**, you <u>must install</u> the **IE TAB** extension per the above instructions. You will need to configure **IE TAB** to properly print by doing the following:

1. In the Auto URL section please check the following boxes.

2. In the Auto URL Exceptions, please add the following:

https://allpayoroci.mcatx.com:7004/reports/rwservlet/getjobid\*

Once successfully added you will see the information shown below:

Matchi	ng URLs will no	t be loaded		
				Add
https://all	payoroci.mcatx.co	m:7004/reports/rv	wservlet/getjol	bid*
